Our kennel has a **“NO FLEAS/TICKS”** policy. If your pet is examined and found to have fleas/ticks, they will be treated. The cost ranges from \$6-15. If your pet is on monthly flea/tick control please list the product and when it was last given. _____

Dogs that are boarded must have been vaccinated for Bordetella (kennel cough) within the last 6 months and DA2PP within the last year. Cats that are boarded must have been vaccinated for Feline distemper within the last year. Proof of vaccine status is required. If your pet is not current on these vaccinations, we can vaccinate at the time of admission.

Boarding pets are fed Science Diet Maintenance. If your pet has special nutritional needs, please consult our receptionists. **Daily medications if needed will be given at a nominal cost.**

Boarding can be a stressful time for your pet. Gastrointestinal upsets and other problems can occur. If your pet should have a problem while boarding do we have permission to treat your pet.

We do offer a “minor medical insurance policy” that takes care of any medicine, exam charges, and medical tests that are incurred as a result of the stress of boarding. This does not include worming, vaccinations or surgery. The cost of this insurance is \$1.50 per day per pet. Do you want insurance?
